William, Mittell, His, Book

Being A Collection of Dancing Tunes  
For the Flute, Violin or Oboe. With figures  
to each tune as perform'd over Leaf.

noch zu 11. Tausend an den 15.

A close-up photograph of a piece of aged, light brown paper. On the left edge, a portion of a vertical ruler is visible, showing markings in both inches and centimeters. The paper itself is heavily stained with numerous dark brown spots and streaks, particularly concentrated along the right side and bottom. The stains appear to be ink or a similar liquid that has dried on the paper. The overall texture of the paper is slightly rough and uneven.

A close-up photograph of a book's binding, showing the fore-edge of the pages and the spine. The pages are aged, yellowed, and stained with brown foxing. The binding material is dark brown leather, visible along the right edge. A small metal clasp or hinge is visible on the left edge.
